Nuhamin Tesfaye

Cloud Consultant, Computer Engineer
Addis Ababa, Ethiopia

Summary

I am a highly skilled and self-driven Computer engineer and
consultant with a vast knowledge of computer systems, networking,
programming, and Enterprise Resource Planning. I have a keen eye
for details, a strong problem-solving ability, and a great combination
of leadership and technology skills. I am looking for a role where I
can use these skills to create innovative solutions and contribute to
the growth of your organization.

Experience

Nedamco Africa
